

A wide-angle photograph of a beach scene. In the foreground, the golden sand of the beach is visible. The ocean is a vibrant turquoise color, with small waves breaking near the shore. Three people are playing in the water: one person is standing in the shallow surf, another is crouching or kneeling, and a third is further out, creating a splash. The sky is a deep blue, filled with scattered white and grey clouds. A large, semi-transparent white circle is overlaid on the right side of the image, containing text.
